

Abu Dhabi lithium portable power manufacturer

Overview

Al Masaood Power Division, a part of a leading Abu Dhabi business conglomerate, Al Masaood Group, has officially signed a MoU with Instagrid – a global pioneer in portable battery systems – bringing to the UAE the first professional-grade, portable, emission-free battery system. Titan Lithium is developing a large-scale lithium refinery in the UAE, manufacturing battery-grade lithium carbonate and lithium hydroxide essential to the global energy transition towards a sustainable future. As a regional leader and innovator in energy storage, we combine advanced expertise in technology. ABU DHABI, 27th May, 2025 (WAM) -- Enercap, a subsidiary of Apex Investment PSC, has officially commenced the production of fully UAE-manufactured advanced batteries designed for a wide range of critical sectors, including electric vehicles, urban power grids and data centres. The UAE's \$163 billion Energy Strategy 2050 fuels this growth, with battery storage capacity projected to increase by 400% in GCC countries by 2030.
