

# After-sales service for 120-foot photovoltaic folding container

## Overview

---

Do you offer after-sales support for mobile solar PV containers?

Yes, we offer comprehensive after-sales support including remote monitoring, maintenance services and technical support. It provides clean, efficient power wherever you need it and can also generate profit. The container is equipped with foldable high-efficiency solar panels, holding 168-336 panels that deliver 50-168 kWp of power. This system is realized through the unique combination of innovative and advanced container. LZY offers large, compact, transportable, and rapidly deployable solar storage containers for reliable energy anywhere. The semi-automatic electric drive unit manoeuvres the mobile photovoltaic system into its operating position rapidly and smoothly along a length of around 123 metres.
