

After-sales service for mobile solar-powered containerized solar panels

Overview

Yes, we offer comprehensive after-sales support including remote monitoring, maintenance services and technical support. Our mobile photovoltaic containers come with a warranty and optional service packages to ensure optimal performance throughout their lifespan. This is the product of combining collapsible solar panels with a reinforced shipping container to provide a mobile solar power system for off-grid or remote locations. Unlike standard solar panel containers, LZY's mobile unit features a retractable solar panel unit for quick installation. Good choice for disaster reliefs whenever it is important to deliver electricity as quickly as possible.
