

Can the Prey Locker be opened

Overview

To open it, you'll need to get into the Security Booth to the left. Welcome to the Prey subreddit, a community dedicated to all things related to 2017's Prey, a game developed by Arkane Austin and published by Bethesda. Anyway to access the locker in Morgan's office without pre order?

Been years since the game came out. Just wondering if I can get the fancy shotgun. I can't open the locker after I took items from it You can put things in the safe on/in the wall in your office. Hit G and you can enter it's inventory. If you only see the "Cosmonaut Shotgun Pack", close steam and restart it, you should see the "Prey Pre-Order Bonus" listed. Once both are listed in your Steam Library, you should be able to. Sign Up for free (or Log In if you already have an account) to be able to post messages, change how messages are displayed, and view media in posts. I. Just starting my 2nd run and already discovering a lot of things I missed. The maintenance hatch in the viewing area.

Can the Prey Locker be opened

Can't open the DLC locker?

I just bought my PS4 and Prey with it today, and the game had a code for the Cosmonaut Shotgun Pack in it. I used it and installed it, but now that I've gotten to the locker I'm supposed to

Why can't I access Yu's locker when I have pre-ordered or pre ...

Once both are listed in your Steam Library, you should be able to access the locker in game.

Locker in Morgan's office has no items? *spoilers*

So I made it to Morgan's office but when I move close to the locker in the room it just says "locker" with no items. I can't interact with it. Isn't this supposed to have the shotgun and other
