

Castries electricity policy

Overview

CASTRIES, SAINT LUCIA — In a landmark move toward a greener future, Energyze Holdings Inc. (EHI) and the Castries Constituencies Council (CCC) have signed a transformative Memorandum of Understanding (MOU) aimed at transitioning Castries into a sustainable, energy-efficient. Here, edie rounds up seven of the policy actions the CCC called for to support decarbonisation - and financial sustainability - in the private sector. Two-thirds of the emissions reductions. The Government's policy statement of the 15th July to allow privately owned electricity networks on. Copyright © 2025 St. Lucia Electricity Services Limited. This represents a sector wide target, covering all greenhouse gases and remains conditional upon access to sufficient financial and capacity building support. LUCELEC is the only commercial generator, transmitter and distributor of electrical energy in Saint Lucia.
