

# Chuxiong Solar Photovoltaic Panel Manufacturer

## Overview

---

Shanghai Electric, as the parent company of CJV, is one of the largest comprehensive equipment manufacturing enterprises in China. CJV, Ltd (hereinafter referred to as "CJV") is founded in 2015 by Shanghai Electric and BrightSource on a 50/50 basis. It is committed to development and application of concentrated solar power ("CSP") technology and has become a supplier of complete sets. Solar panel manufacturers in China continue to play an important role in boosting the country's solar energy generation. We are a high-tech enterprise engaged in the manufacture and sale of crystalline silicon solar cells, including mono-crystalline and poly-crystalline solar cells. Founded in 2015, we are dedicated to the U.S. market. The event will gather the key stakeholders from solar developers, solar asset owners and investors, PV manufacturing, policy-making and all interested downstream channels and third-party leading manufacturers posting strong performance. As Chuxiong solar panels construction accelerates in 2024, this mountainous region in Yunnan Province is becoming China's unexpected renewable energy powerhouse. A 1 billion project aims to generate 780 MW of clean energy - enough to power 1 million homes.
