

Energy company uses Zimbabwean solar container DC

Overview

The Zimbabwe Electricity Transmission and Distribution Company (ZETDC) recently finalized a power purchase agreement with SkyPower, an energy company based in the United Arab Emirates. Named the Green Giant project, it aims to supply 500 megawatts (MW) of solar power, capable of providing. In a major boost for renewable energy and sustainable development in Zimbabwe, Sunway City and GPC Energy have announced a strategic partnership to construct a 100-megawatt (MW) direct current (DC) solar power plant. Located just 40 kilometers from Harare, this plant is a pivotal development aimed at alleviating the nation's energy crisis and reducing pollution.
