

Geographic locations oman

Overview

Oman shares its international boundaries with Yemen in the south-west, Saudi Arabia in the west, and United Arab Emirates in the north-west. The Oman is located on the Arabian Peninsula. Known as the Sultanate of Oman, this country is part of Western Asia. Islam is a religion, not an ethnicity, so it is incorrect to label Oman as an Islamic nation. The first consists of two flat, relatively fertile coastal strips up to 20 miles wide: one in the north stretching from the Muscat capital area to the border with the U., and one. Encyclopaedia Britannica's editors oversee subject areas in which they have extensive knowledge, whether from years of experience gained by working on that content or via study for an advanced degree.
