

# HJ solar container communication station lithium ion battery

## Overview

---

High-efficiency Mobile Solar PV Container with foldable solar panels, advanced lithium battery storage (100-500kWh) and smart energy management. Ideal for remote areas, emergency rescue and commercial applications. Fast deployment in all climates. Note: Specifications are subject to change without prior notice for product improvement. Rapid deployment, high efficiency, scalable energy storage, remote monitoring support. Huijue Group Communication Container Station: It is a large outdoor base station with large capacity and modular design. Communication container station energy storage systems (HJ-SG-R01) Product Features Supports Multiple Green Energy Sources Integrates solar, wind power, diesel generators, and energy storage. What are you looking for?

.

## HJ solar container communication station lithium ion battery

---

### Communication container station energy storage systems

Highjoule HJ-SG-R01 Communication Container Station is used for outdoor large-scale base station sites. Communication container station energy storage systems (HJ-SG-R01) Product Features.

### Communication container station energy storage systems

The HJ-SG-R01 is designed to integrate multiple green energy sources such as solar, wind power, and diesel generators. This makes it ideal for remote areas in Australia where grid connectivity is limited.

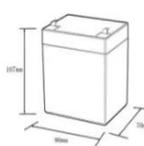

### Shanghai Huijue Intelligent Communication Technology Co., Ltd.

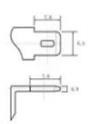

Shanghai Huijue Intelligent Communication Technology Co., Ltd. Products: HJ Industrial & Commercial Energy Storage, HJ Energy Storage Container, HJ Home Energy Storage, HJ Lithium Ion Batteries, HJ ...

## Communication container station

Advanced Residential Energy Storage Provider Huijue Group's Home Energy Storage Solution integrates advanced lithium battery technology with solar systems. Ranging from 5kWh to 20kWh, it ...

12.8V6Ah

Nominal voltage (V):12.8  
 Nominal capacity (Ah):6  
 Rated energy (WH):76.8  
 Maximum charging voltage (V):14.6  
 Maximum charging current (A):6  
 Floating charge voltage (V):13.6~13.8  
 Maximum continuous discharge current (A):10  
 Maximum peak discharge current @10 seconds (A):20  
 Maximum load power (W):100  
 Discharge cut-off voltage (V):10.8  
 Charging temperature (°C):0~+50  
 Discharge temperature (°C):-20~+60  
 Working humidity: <95% R.H (non condensing)  
 Number of cycles (25 °C, 0.5C, 100%doD): >2000  
 Cell combination mode: 32700-4s1p  
 Terminal specification: T2 (6.3mm)  
 Protection grade: IP65  
 Overall dimension (mm):50\*70\*107mm  
 Reference weight (kg):0.7  
 Certification: un38.3/msds

## Mobile power supply for solar container communication station

High-efficiency Mobile Solar PV Container with foldable solar panels, advanced lithium battery storage (100-500kWh) and smart energy management. Ideal for remote areas, emergency rescue and ...

## new energy battery

The All-in-One Energy Storage System by Huijue Group seamlessly integrates a solar inverter and a lithium battery, delivering an efficient and reliable new energy solution.

## Mobile Solar PV Container , Portable Photovoltaic Power Station

High-efficiency Mobile Solar PV Container with foldable solar panels, advanced lithium battery storage (100-500kWh) and smart energy management. Ideal for

remote areas, emergency rescue and ...

### HJ 1mwh 2mwh 5mwh All-in-one Solution Lithium Battery Power ...

The customized BESS energy storage system uses lithium iron phosphate battery and the capacity of the system can be flexibly customized according to customer requirements. The battery and PCs, ...

### Communication container station

It is used in scenarios such as communication base stations, smart cities, transportation, power systems and other edge sites to provide stable power supply and optical distribution networks.
