

Huawei China-Africa energy storage product brand

Overview

Huawei Digital Power has launched the world's first hybrid cooling Energy Storage System (ESS) for commercial and industrial use in Eastern Africa. Energy Storage System Products List covers all Smart String ESS products, including LUNA2000, STS-6000K, JUPITER-9000K, Management System and other accessories product series. Based on the characteristics of PV and energy storage power stations, Huawei Digital Power has brought its more than 30 years of practical experience to play in building a high-quality, high-security and high-efficiency service system and organization in North Africa from six key dimensions. Huawei Digital Power has launched the FusionSolar C&I LUNA2000-215-2S10 Energy Storage System, designed to meet the dynamic demands of the commercial and industrial (C&I) energy storage sector across the country. The LUNA2000-215 Series, unveiled in Nairobi, is designed to meet the region's growing demand for stable, cost-effective solar power.

Huawei China-Africa energy storage product brand

Huawei North Africa Energy Storage Project

China-based Huawei enhanced PV and storage operations in North Africa with global services, lifecycle support, safety models, and digital tools for efficient management. Huawei strengthened PV and ...
