

Is the labor cost of photovoltaic panel installation a scam

Overview

While you are browsing solar power companies, one of them may offer to install a solar panel or solar roof in your home for a small cost or even for free. It's an intentionally misleading claim. Find a solar panel installer today! We've all been sent scammy emails and they'll slip through because it looks much more official than it is. Steer clear of any emails, social media posts or pop-ups that boast unlikely amenities and freebies. These might include free solar panels, sales ending. Did a salesperson knock on your door and promise free rooftop solar panels at no cost to you?

Or say you'll never have to pay another electricity bill because government programs, grants, or rebates cover your solar installation?

It's likely a scam. While there are some government-funded solar. SEATTLE — Scammers across the U. are going door-to-door, pitching “free” solar energy systems. The criminals are leaving unsuspecting homeowners with massive debt; many victims have reported losing tens. In the worst cases, homeowners have been left making payments on overpriced systems that don't work, with little to no support from the installation company that put the panels on their roof.
