

# Kenya Mombasa good quality solar container system manufacturer

## Overview

---

We are located on Abdel Nasser Rd, opposite Burhani Tower, Mombasa, Kenya. Burhani Solar has been providing sustainable power solutions in Kenya since 2005. Drawing from 15+ years of experience in the solar field, we will tailor the best solution for your energy. CONTECH champions upcycling, transforming end-of-life shipping containers into high-value, eco-conscious structures. Upcycling not only reduces waste but also conserves resources and curbs our carbon footprint. PowerAll is a fully registered and EPRA-licensed solar energy company in Kenya, committed to delivering innovative, reliable, and affordable. One Bamburi-based manufacturer recently deployed a 500kW commercial array using bifacial panels, achieving 22% higher yield than conventional setups. Did you know?

Commercial. Recognized by clients and partners alike, Felicity Solar Kenya is trusted for delivering first-class solar solutions — from residential battery systems to commercial-grade hybrid installations.
