

Maputo polycrystalline solar panel manufacturer

Overview

BDQ Energia is at the forefront of solar power development in Mozambique. We design, build, and operate large-scale solar power plants that provide clean and renewable energy to local communities and industries. Our mission is to harness the power of natural resources like solar energy to create a reliable and eco-friendly energy supply for the country. Solar Vilankulo is an enterprising company in Mozambique, dedicated to providing innovative solar energy solutions. Information is checked, categorised and connected. With over 2,800 hours of annual sunshine, the city offers ideal conditions for photovoltaic solar panels. Rising electricity costs and frequent grid instability have pushed residents and businesses to adopt renewable.
