ENERGY STORAGE SYSTEM

Product Model
HJ-ESS-215A(100KW/215KWh)
HJ-ESS-115A(50KW/115KWh)

Dimensions
1600*1280*2200mm
1600*1200*2000mm

Rated Battery Capacity
215KWH/115KWH

Battery Cooling Method
Air Cooled/Liquid Cooled

The State of Commercial Solar in 2025: Smarter, Stronger, and More

One solution is shining brighter than ever: commercial solar. After years of steady growth and cautious optimism, solar for commercial and industrial (C& I) buildings has reached a tipping point.

Commercial & Industrial Solar

Panels , Solar for Businesses

Commercial and industrial buildings are perfect for solar energy thanks to their large, flat rooftops. Installing solar panels on these structures is seamless, cost-effective, and environmentally ...

Industrial Solar Power Generation Systems Market

As solar technology becomes more accessible and affordable, the adoption of solar power generation systems among industrial and commercial end-users is expected to accelerate, contributing to a ...

MC Power Companies, Inc. News & Article Archives

Serving clients nationwide across commercial, industrial, municipal/utility-scale sectors as well as educational facilities and agriculture, MC Power delivers turnkey solar projects from initial ...
