

Nicaragua Portable Power Supply Quote

Overview

Since US plugs are designed to be used with type A and type B outlets, North American travelers don't need a travel adapter in order to charge their devices in Nicaragua. Nicaragua is a country in Central America with beaches on the Caribbean and Pacific coasts, with hundreds of square miles of virgin rainforests, mist-shrouded volcanoes, and wild rivers and lakes. Planning a trip to Nicaragua and wondering if you need a power adapter?

Look no further! We've got you covered with this comprehensive guide on. Save 50.0% on select products from Mapleboom Updated Model 3 Tesla Tempered Glass Screen Protector with this Amazon promo code 50DY2CI4, through 02/27 while supplies last. They have two flat pins and no grounding pin. These outlets are typically used with devices that have a voltage of 110-120V. Take a look at the pictures below to see what these plugs and power sockets look like: Doesn't look familiar?
