

# **PetroChina releases energy storage system tender**

## Overview

---

The tender for the design, manufacture, installation and 20-year operations & maintenance (O&M) of battery energy storage systems (BESS) for Power China's 2025-2026 projects was announced on 13 November, and the results were released last week. In what is described as the largest energy storage procurement in China's history, Power Construction Corporation of China (PowerChina) is targeting an unprecedented cumulative storage capacity of 16 GWh. The bids were opened on December 4. 96 yuan/Wh! 13 Companies Compete for PetroChina's 2. Tendering authorities and private companies. How many new energy storage projects are commissioned in China?

Figure 2: Cumulative installed capacity of new energy storage projects commissioned in China (as of the end of June 2023) In the first half of 2023, China's new energy storage continued to develop at a high speed, with 850.

## PetroChina releases energy storage system tender

---

### PowerChina procures 16 GWh of energy storage to integrate 2025

Chinese energy and infrastructure developer PowerChina has announced its 2025 procurement plan, aiming to acquire 51 GW each of solar modules and inverters along with 16 GWh ...

### PowerChina receives bids for 16 GWh BESS tender with average ...

The large-scale centralized procurement aims to secure resources for PowerChina's renewable energy projects and align with China's green energy transition goals. Analysts regard this tender as a ...

### Does powerchina have any energy storage projects

The tender for the design, manufacture, installation and 20-year operations & maintenance (O& M) of battery energy storage systems (BESS) for Power China's 2025-2026

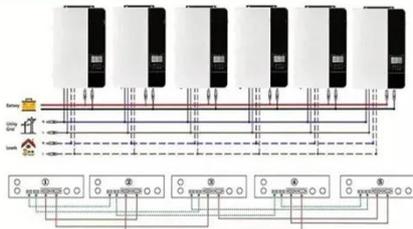

### [Another 200MWh! PetroChina Jichai

## Power's DC Side Energy ...

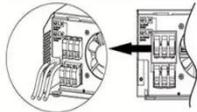

The tender scope includes a total capacity of 200MWh liquid-cooled battery systems, covering energy storage system electrical components and prefabricated electrical combiner systems.

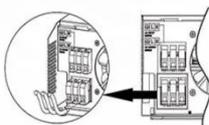

Parallel (Parallel operation up to 6 unit (only with battery connected))

AC input wires

AC output wires

## petrochina energy storage equipment tender announcement

We launched Industrial and Commercial Energy Storage. The video will show how the product works.

## [0.43-0.96 yuan/Wh! 13 Companies Compete for PetroChina's ...

Recently, the list of shortlisted candidates for PetroChina's 2024 1.125GW/2.5GWh energy storage system centralised procurement was announced, with a total of 13 companies making it into four ...

Our Lifepo4 batteries can beconnected in parallels and in series for larger capacity and voltage.

## 'Mind-blowing' bids in Power China's 16GWh BESS tender

The tender for the design, manufacture, installation and 20-year operations & maintenance (O& M) of battery energy

storage systems (BESS) for Power China's 2025-2026 ...

### **\$66/KWh: PowerChina Opens Bidding for 16GWh Energy Storage**

On December 4, Power Construction Corporation of China (PowerChina) opened bids for its 2025-2026 energy storage system equipment procurement project, with an estimated total ...
