50 Kwh

Thick shell, well protection for inside cells

BMS customization supported

The advertisement features three stacks of white solar battery storage units on wheels. The first stack is labeled '20 Kwh', the second '30 Kwh', and the third '50 Kwh'. Each unit has a small digital display and control panel. The background shows a house with solar panels on the roof. The text highlights 'Higer conversion efficiency' and 'CAN/RS485/WIFI/4G Blue tooth communication'. At the bottom, two green boxes state 'Thick shell, well protection for inside cells' and 'BMS customization supported'.
