

Portable energy storage battery company in South Africa

Overview

MUST is committed to developing clean energy and contributing its efforts to reduce carbon footprint. We are proud to have been manufacturing portable power stations, LiFePO4 batteries, inverters, UPS, and solar charge controllers since 1998, with a team of 500 dedicated employees. Our high-quality, Battery-based energy storage solutions in particular are: modular, easily scalable, able to match service requirements and relatively quick to deploy. Our high-performance systems help reduce energy costs, improve power reliability, and accelerate the shift to renewable energy sources.

Portable energy storage battery company in South Africa
