Overview

We specialize in designing and installing high-performance Solar PV systems for homes, businesses, and farms across Ireland, delivering bespoke solutions that maximize energy savings and sustainability. Home and Agri is Ireland's leading and highest-rated Solar PV installer. They procure equipment from Bauer, My Energi, Huawei, Fronius, Sigenergy and other widely known solar PV equipment manufacturers. Founded in 2006, Solar Home is Ireland's longest-established and most experienced. According to the latest figures from the Sustainable Energy Authority of Ireland (SEAI), Ireland generated 0.65 TWh of solar electricity in 2023, more than 300% up on the year before. The cost of a solar energy system. Prosolar are an SEAI grant approved solar installer, we offer guidance to help make your application and install as smooth as possible with savings of up to €1,800 per household. Solar panels harness the power of the sun to generate electricity.
