

# Samoa solar container battery sales company

## Overview

---

We specialize in the investment, development, and construction of solar photovoltaic (PV) power stations for residential, commercial, and large-scale applications. Tesla battery energy storage system (BESS) specialists are on the ground assisting Samoa's Electric Power Corporation (EPC) engineers to ensure its batteries are operating to support Samoa's energy needs during the country's current power crisis. Alfa Laval is a provider of first-rate products. Lithium batteries offer 3-5 times the energy density of lead-acid batteries. With 65% of its electricity already coming from solar and wind sources (World Bank 2023), the nation requires reliable battery systems to address intermittent.
