

Sonnen solar battery company

Overview

Christoph Ostermann and Torsten Stiefenhofer founded the company in 2010 as a GmbH (German limited liability company). The at that time was PROSOL Invest Deutschland GmbH. In December 2013, the shareholders' meeting decided to change the company name to sonnenBatterie GmbH, in order to adopt the name of its product range and to support the goal of internationalization. Since November 2015, the company has operated as sonnen, under which all the.
