

# The latest photovoltaic panel made by Longji

## Overview

---

Longi, the China headquartered solar PV solutions giant, has launched its latest Hi-MO X10 solar module series at an event held in Shanghai. The new modules use Longi's 2nd generation hybrid passivated back contact (HPBC2.0) cell technology, offering up to 24.8% power conversion. At the key node of intergenerational transition of global Photovoltaic (PV) technology, the back contact (BC) cell technology is leading the new-generation PV technology paradigm revolution, becoming the core engine to drive industry cost reduction and efficiency improvement and realize energy. Chinese solar manufacturer Longi unveiled a new PV module with 25. LONGi has two main series of solar panels: Hi-MO 4, and Hi-MO 5, which have a variety of different options. The company is committed to providing sustainable energy solutions around the world to promote the popularization and application of clean energy. Don't hesitate to contact us for better help and service.

## The latest photovoltaic panel made by Longji

**LPR Series 19'  
Rack Mounted**

### Longji solar panel

LONGi's technological and manufacturing leadership in solar wafers, cells and modules underscores our commitment to helping accelerate the clean energy transition. By offering high-quality, reliable ...

### Longi unveils 700 W back-contact PV panel with world record silicon

Chinese solar manufacturer Longi unveiled a new PV module with 25.9% efficiency at the 2025 SNEC trade show this week in Shanghai, produced using both low- and high-temperature ...

### 12.8V 200Ah

### Solar Photovoltaic Panels Manufacturer , Solar Panels for Sale

A Leading Manufacturer Of High-Quality Solar Photovoltaic Panels, Providing Reliable Solar Energy Solutions For Various Applications. Explore Our Solar Panels For Sale Today!

## The World's Leading Supplier of Solar PV Solutions

PV Modules Backed by advanced technologies, our modules feature excellent power ratings and top conversion efficiencies, and can be used across all market segments. Our field-proven bifacial ...

### Longi solar panels

With high conversion rates, Longi solar panels can generate more electricity from the same amount of sunlight compared to conventional panels. This means homeowners and ...

### LONGi Solar-JA TECH CO LTD

LONGi Solar is a Tier 1 manufacturer of solar panels renowned for its monocrystalline technologies and the latest innovations. LONGi was incorporated in 2000 and has focused exclusively on ...

### LONGi Solar Panels & PV Modules , High-Efficiency Monocrystalline

Backed by advanced technologies, LONGi solar panels feature excellent power ratings and top conversion efficiencies, and can be used across all

market segments. LONGi's field-proven bifacial ...

---

### **High-efficiency Module, Longi solar module**

HPBC (Hybrid Passivated Back Contact) is LONGi self-developed and named hybrid passivated back contact cell technology. It is a new generation of high-efficiency cell technology featuring no grid lines ...

---

### **China's Longi launches Hi-MO X10 solar modules with 24.8% efficiency**

Longi, the China headquartered solar PV solutions giant, has launched its latest Hi-MO X10 solar module series at an event held in Shanghai. The new modules use Longi's 2nd generation ...
