

# Three Lakes Solar Power Generation

## Overview

---

Three Lakes Solar Energy Park will be located in St. Joseph and Cass Counties, west of the City of Three Rivers. The solar park will complement the area's agricultural resources, providing farmers with a stable, weather-resistant cash crop in the form of landowner lease payments. Three Lakes Solar. The Fabius Township Planning Commission insisted Tuesday that it has no real option other than to approve a massive solar farm linked to the Chinese Communist Party. Despite opposition from township residents, the commission voted unanimously to recommend approval of Three Lakes Solar, LLC's. Winter Weather Advisory for 2" to 4" of snow, a glaze of ice, and slippery conditions this evening through Friday morning. Residents from Fabius Township in St. The project would bring good local jobs and help landowners keep their property productive for years to come.
