Volkswagen Touareg

Overview
Development
First generation (7L; 2002)
Second generation (7P; 2010)
Third generation (CR; 2018)
Motorsport Awards

The Volkswagen Touareg (internally designated Typ 7L) was developed as a joint venture project by Porsche and the Volkswagen Group, involving the Audi and Volkswagen brands. During the initial development phase and the early years of its production, Porsche operated as an independent entity, not affiliated with the Volkswagen Group. In response to these market conditions, Porsche's CEO at the time, Wendelin Wiedeking, sought to diversify the company's product range. This strategy included th...
