

Warranty for modular solar cabinet high-voltage products

Overview

The PWRcell inverter, battery cabinet, and module have a 10-year warranty. Jiangsu Solarspace Technology Co. (hereinafter referred to as Solarspace) provides a limited warranty commitment to Solarspace PV module customers (buyers as agreed in the module product sales contract), unless otherwise agreed by both parties in writing. This warranty applies to Solarspace. This limited warranty applies to Franklin Home Power energy storage systems installed in the United States, United States Territories, and Canada. It applies to the following Franklin Home Power products ('Products' or 'FHP'): The limited warranty includes a warranty period and performance. Warranty issues don't just cost money—they cause downtime, reduce customer confidence, and can lead to disputes between buyers, sellers, and manufacturers. This guide will explore the most common warranty issues in PV + storage cabinets, what causes them, and how to prevent or resolve them before. This article lists details of the PWRcell warranty but is not a replacement for the official warranty statement.
